

fuma // SEAL - WATERPROOFING MEMBRANE

with AbP test certificate

Item-no.	FAB-B-050	
Product group	Waterproof membrane	
Application	Waterproofing of tiled surfaces	
Measurement	Roll length: 30 m Roll width: 1 m Material height: 0.5 mm	
Material	Polypropylene / Polyethylene	
Color	blue	
Fire behaviour in accordance to DIN EN 13501	B2	
Temperature resistance	-40°C - +90°C	
Water impermeability in accordance to DIN EN 1928	2 kPa	
Equivalent air layer thickness (sd) in accordance to DIN EN 1931	60 m	
Tensile strength in accordance to DIN 1348	0.4 Nm/mm ²	
Chemical resistance (after 7 days room temperature)	Lactic acid 5%	resistant
	Acetic acid 5 %	resistant
	Hydrochloric acid 3%	resistant
	Potassium 3%	resistant
